BRUNEI CYBER SECURITY CONFERENCE

The **Brunei Cyber Security Conference (CySec)** is an annual flagship event hosted by the Brunei Cybersecurity Association (BCSA) and co-hosted by Cyber Security Brunei (CSB), with the support of the Ministry of Transport and Infocommunications Brunei (MTIC). First held on 14 September 2023, CySec has quickly become the premier cybersecurity event in Brunei.

CySec brings together thought leaders, industry professionals, and organizations from across the cybersecurity spectrum — locally, regionally, and internationally.

The conference features an engaging lineup of talks, hands-on workshops, and exhibitions, showcasing the latest in cybersecurity trends, technologies, and best practices. CySec serves as a dynamic platform for knowledge exchange, collaboration, and innovation in the face of evolving cyber threats.

Attendees include representatives from government agencies, private sector companies, academic institutions, and international organizations — all united by a shared commitment to strengthening cybersecurity resilience.

Whether you are a cybersecurity practitioner, policymaker, researcher, or enthusiast, CySec offers valuable insights and opportunities to connect with the broader cybersecurity community.

ABOUT CYSEC2026

In an era where critical infrastructure increasingly relies on interconnected digital systems, safeguarding these foundational assets has become a national imperative. From energy and utilities to finance, healthcare, and telecommunications, the systems that sustain everyday life are now prime targets for increasingly sophisticated and persistent cyber threats. Reactive measures alone are no longer adequate; resilience must be embedded into the very design of our systems, processes, and institutions from the outset.

Organised by Cyber Security Brunei (CSB) in collaboration with the Brunei Cybersecurity Association (BCSA), the Brunei Cybersecurity Conference 2026 (CySec2026) will take place under the theme:

“Resilient by Design: Protecting Critical Infrastructure.”

This flagship event will bring together cybersecurity experts, industry leaders, policymakers, academics, and technology innovators to explore strategies for building robust, secure-by-design infrastructure, share insights on emerging threats to critical systems, and strengthen national and organisational resilience against evolving cyber risks.

EXPECTED ATTENDEES

CySec2026 welcomes a diverse audience including government agencies, private and public sector organizations, cybersecurity professionals, critical infrastructure operators, and students and youth in the field, reflecting the event's commitment to cross-sector collaboration in building resilient, secure-by-design systems.

AIM

The **4th Brunei Cybersecurity Conference** aims to serve as a premier platform for advancing critical infrastructure protection, fostering regional collaboration, and empowering individuals and organizations to embed resilience by design into the systems and institutions that underpin a secure, cyber-smart society.

OBJECTIVES

Promote Cybersecurity Awareness and Digital Literacy:

- Equip participants with the knowledge and skills to make informed decisions in the digital world, emphasizing the role of every individual in cybersecurity.

Showcase Innovative Cybersecurity Solutions and Strategies:

- Highlight emerging technologies, practices, and approaches that go beyond reactive defense to proactive empowerment and resilience.

Foster Cross-Sector Collaboration and Community Building:

- Encourage collaboration between government, industry, academia, and civil society to develop unified strategies for a Cyber Smart society.

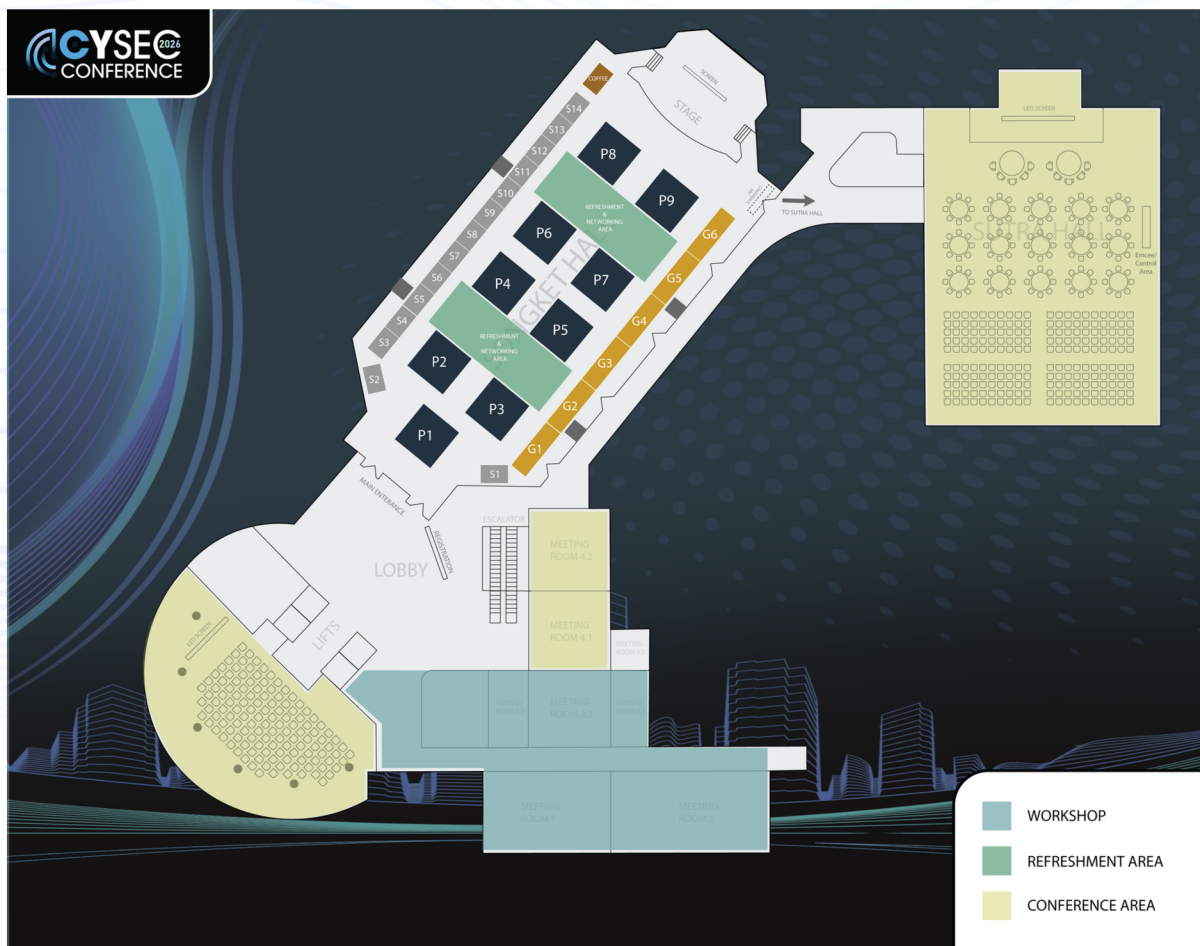

Explore Emerging Threats & Empower Proactive Action:

- Examine the evolving threat landscape, from personal data breaches to critical infrastructure attacks and inspire participants to adopt forward-thinking strategies and continuous learning to stay ahead in the cyber domain.

SPONSORSHIP ENTITLEMENTS

- **Brand Visibility & Acknowledgment:** Recognition as an official sponsor, with your company's name and logo featured on event materials, the official website, and social media.
- **Speaking Opportunity:** A 20-minutes speaking slot to present on a topic relevant to the event's theme, allocated based on sponsorship package and on a **first come, first served basis**.
- **Exhibition Booth:** A booth space during the event, with location and availability based on sponsorship package and on a first come, first served basis.
- Delegate contact information will be provided only with attendee consent and in accordance with the Personal Data Protection Order (PDPO) Brunei guidelines and other applicable privacy regulations. Personal email addresses will not be disclosed.

TERMS & CONDITIONS

1. Definitions & interpretation

These Terms govern the relationship between the Brunei Cyber Security Association ("BCSA") and the entity applying for or executing a sponsorship package ("the Sponsor"). The "Agreement" is the contract constituted by the Sponsor's application, BCSA's acceptance and these Terms; the "Effective Date" is the date BCSA confirms acceptance of the application in writing; the "Event" is the CySec 2026 conference organised by BCSA; the "Sponsorship Fee" is the amount payable as specified in the package or invoice; and "Sponsorship Benefits" are the marketing, branding and promotional entitlements set out in the package.

2. Payment terms & late fees

The Sponsor shall pay the Sponsorship Fee in full to BCSA on or before 16 October 2026. All payments are made in Brunei dollars (BND); the Sponsor is responsible for all banking, transfer, currency-conversion and statutory charges, and the fee is net of all such charges. If any portion of the fee is not paid by the due date, BCSA reserves the right to charge interest on the overdue amount at 5% per month, and the Sponsor shall indemnify BCSA against all reasonable costs of recovering overdue amounts (including legal fees on a full-indemnity basis).

3. Use of sponsor branding & intellectual property

The Sponsor grants BCSA a non-exclusive, worldwide, royalty-free, revocable licence to use the Sponsor's name, logo and trademarks (the "Sponsor Marks") solely to market, promote and document the Event. BCSA will display the Sponsor Marks in line with any brand guidelines provided in advance and will not alter or distort them without the Sponsor's prior written consent. Nothing in this Agreement transfers either Party's intellectual property to the other; all goodwill from BCSA's use of the Sponsor Marks inures to the Sponsor.

4. Cancellation, postponement & sponsor withdrawal

If the Event is cancelled or materially altered due to circumstances within BCSA's reasonable control, the Parties will negotiate in good faith for thirty (30) days to reallocate the fee to another BCSA initiative (less reasonable expenses already incurred); failing agreement, BCSA will issue a pro-rata refund of the unused portion. Sponsorship commitments are otherwise firm and non-refundable: a Sponsor that withdraws for any reason remains liable for the full Sponsorship Fee and any amount already paid is forfeited. If the Event is postponed to a date demonstrably unsuitable for the Sponsor, the Sponsor may request in writing that the fee be credited toward another BCSA event, valid for twelve (12) months from the original date.

5. Indemnity & limitation of liability

Subject to Clause 5.3 of the full terms, neither BCSA, the venue provider, nor their officers, directors, employees or agents are liable for any indirect, incidental, special or consequential damages, loss of profits, business opportunity or data arising in connection with the Event. Each Party shall indemnify the other against third-party claims arising directly from its own gross negligence, wilful misconduct or breach of statutory duty, subject to prompt written notice, control of the defence, and reasonable cooperation.

TERMS & CONDITIONS

6. Confidentiality

Each Party will keep confidential all non-public, proprietary or sensitive information disclosed by the other during the Agreement — including commercial terms, technical data and event strategy ("Confidential Information") — and will not disclose it to any third party without prior written consent, except to professional advisors or as required by law. Where disclosure is legally compelled, the disclosing Party will give prompt notice where permissible so protective measures can be sought.

7. Personal data protection

Both Parties will comply with the Personal Data Protection Order (PDPO) of Brunei Darussalam. Personal data BCSA collects from the Sponsor's representatives is used solely for administering the Event, communication and safety coordination, and is not shared with third parties without explicit consent or lawful basis. BCSA will apply appropriate technical and organisational measures to protect personal data against unauthorised access, alteration, disclosure, loss or destruction.

8. Force majeure

Neither Party is liable for delay or failure to perform (other than payment obligations) caused by a "Force Majeure Event" — any event beyond the affected Party's reasonable control, including acts of God, war, riots, strikes, epidemics or pandemics, government or health mandates, natural disasters, fire, or catastrophic failure of public utilities or the venue. The affected Party must give written notice within seven (7) days and make reasonable efforts to mitigate.

9. Miscellaneous

BCSA reserves the absolute right to review, reject or terminate any sponsorship application or agreement at its sole discretion without disclosing reasons. This Agreement is the entire understanding between the Parties and supersedes prior discussions; amendments must be in writing and signed by both Parties. If any provision is held invalid, the remainder stands. No delay in exercising a right operates as a waiver. The Sponsor may not assign or sub-contract its rights or obligations without BCSA's prior written consent.

10. Governing law & dispute resolution

This Agreement is governed by and construed in accordance with the laws of Brunei Darussalam. The Parties will attempt in good faith to resolve any dispute by negotiation; if unresolved within thirty (30) days, it will be finally resolved by the exclusive jurisdiction of the Courts of Brunei Darussalam.

11. Media rights & press releases

Except for the standard promotional materials set out in the Sponsorship Benefits, neither Party will issue any press release, media statement or public announcement referencing the specific financial details of this Agreement, or use the other Party's name in general marketing, without the other Party's prior written review and approval.

Submitting the online sponsorship application constitutes your organisation's agreement to these Terms & Conditions.

EVENT PROGRAMME

DAY 1: TUESDAY, 15 SEPTEMBER 2026

OPENING CEREMONY PROGRAMME FOR BRUNEI CYBER SECURITY CONFERENCE (CYSEC) 2026

7:45 AM	Arrival and Registration of CySec 2026 Participants, Speakers & Guests
8:30 AM	Arrival of Invited Guest (Government Officials, Corporate Officials, and Diplomats)
9:00 AM	Arrival of the Guest of Honour Yang Berhormat, Dato Seri Setia Mohd Riza bin Dato Paduka Haji Mohd Yunos, Minister of Transport and Infocommunications as the Minister-In-Charge of Cybersecurity
9:05 AM	Recital of Surah Al-Fatihah
9:10 AM	Opening Remarks by Shamsul Bahri bin Haji Kamis, Interim Commissioner of Cyber Security Brunei (CSB)
9:15 AM	Opening Address by the Guest of Honour
9:25 AM	Official Launch of Brunei Cyber Security Conference 2026 (CySec 2026) by the Guest of Honour
9:30 AM	Exchanging of Memorandums of Understanding (MOUs)
9:50 AM	Featured Speech by Invited Guest
10:10 AM	Guest of Honour tours exhibition booths
	Group Photo Session with Guest of Honour (Songket Hall)
